# CHANGES IN SCOPE OF CONSOLIDATION

On December 30, 2024, it was announced that, pursuant to a Presidential Decree of the Russian Federation, temporary external management had been appointed to Anadolu Efes' beer operations in Russia. Based on the evaluations, although the Russian operations formally remained under Anadolu Efes as of January 1, 2025, it was excluded from the scope of consolidation in the financial statements in accordance with TFRS 10. In the financial statements dated September 30, 2025, the beer operations in Russia, which were excluded from consolidation, were accounted for as “Financial Investment”.

Unless otherwise indicated, the 3Q2024 & 9M2024 Income Statement figures disclosed in this earnings release are presented on a proforma basis, excluding the financial results of the Russian operations, to ensure comparability with the 3Q2025 & 9M2025 results, which also exclude the Russian operations.
